ORDER

02.12.2014

**This is the petition filed by the Petitioner under Article 226 of
the Constitution of India read with Section 482 Cr.P.C. seeking issuance
of directions to the Respondent to provide adequate police protection to
the Petitioner.**

**On the last date of hearing, the petitioner was directed to file
amended memo of parties after impleading the private respondents as well**

as notice was issued to the newly added respondents, returnable for today. State was also directed to provide necessary protection to the petitioner after assessing the element of threat.

Today status report has been filed by the State wherein it has been mentioned that beat staff has been briefed and sensitised. It is further mentioned therein that if the complainant has any apprehension of threat, he may immediately inform the local police as well as beat staff.

Counsel for the petitioner submits that though he has neither filed the amended memo of parties nor steps have been taken to serve the private respondents, however, in view of the status report as well as assurance given by the State he seeks permission to withdraw the present petition.

The petition is therefore dismissed as withdrawn with direction to State to provide the mobile numbers of the SHO/beat staff to the petitioner so as to enable him to contact them in case of need. State shall also continue to provide protection after assessing the element of threat, if any.
