Respected sir (this is to Mr. Salim Khan Ji also) ,
I'm sending this message from Agra UP.

I was escaped from blood parents when I was at the age of 3-4 years. now I am around 55 years old. When I had raised questions about this fact (escapee, base on above mention fact ' Khatna') to my mother i.e the person to whom I called " maa / mother ", she replied me " ur (ie mine) birth was due to illegal relationship, ur blood mother (was prostitute / RANDHI) left u at Railway Station ". This is the reason (from that instant / movement on wards) why I am living all alone at Agra UP, from more than 25 years facing a lot of difficulties (mostly by mob lynching) .

Sir Ji (Salim Khan Ji), the given below 3 birth marks at my body / facts revealing that I should be Son of Mr. Salim Khan.

1. I had performed " khatna" as Muslim Religion, but grow up as Hindu. (please find attached my Mcom provisional certificate)
2. The black mole/mark at ur / Salim Khan ji nose left side, I too have same mark. (please find photo of Mr. salim Khan - young age)
3. Salim Khan Ji "right ear lower edge " little longer than left ear edge. I too have same ears. (please find photo of Mr. salim Khan - Present age)

(please find my video which reveals the " above birth marks" at my face also).
For further confirmation " DNA" test is also there.

Based upon the above 3 eye evidences / facts, I am requesting to ur Police Department to make FIR (ZERO) / NCR & inform the same to Mr. Salim Khan & let me know his reply in this regards.

For any more information if you need from me please call / contact me.

I have already asking / requested help from Maharashtra State Human Rights Commission, Mumbai. My diary no. is 10/IN/2018 dt. 28.12.2018. As well as National Human Rights commission. Both were replied / suggested me to make a FIR in this matter.

I am requesting you kindly help me to come out from this suspicious status, by the reason which leading my life becoming more more difficulty day by day & do the needful in this regards so that I can reach my real / blood parents (I would like to inform you / mr. salim khan that I am not expecting any wealth at all, as soon as I get out off this suspicious / mob-lynching status my Mcom education is more than enough to lead my life).

Kindly understand the seriousness of " mob lynching ", even police persons are also facing this evil act in the society.

Please watch :-

Sir, you being well educated & carrying on such high level post can able to understand that " the hard work one should have needed " to pass the Mcom 1st class (but which become mere waste), even though my father was Police with 8-10 times " suspended duty " record.

Sir kindly understand that this evil / mob-lynching society questioning me again & again (?) ' why you have been living all alone more than 25-27 years ? are you undergoing ' terrorist training (by muslims, ie mr. Salim khan) ' ? No one can answer for this questions except / other than Mr. Salim Khan & Your police dept.

please find attached my " Aadhaar card " for id proof & for address proof. (and also 7 other documents & photos & video)
